MAROOCHYDORE SLSC GOVERNANCE

Maroochydore's Board of Management continues effectively under the leadership of President Rob Elford, who has completed his third season.

Director of Finance and Resources, Andrew Patrick, departs BoM after completing 6 years of service as 'Treasurer'. Thanks, Andrew, for the donation of your skills to a difficult role. Andrew and wife Helen are looking for some 'us time', travelling this wide brown land as opportunity presents. Everyone knows and loves Helen, who also gave many years of selfless service, mainly in and around our many catering and hospitality tasks. You will both be missed and thank you again for your selfless and good-natured service.

Director of Marketing & Promotion, Jason Childs also takes a step back after a couple of seasons on the BoM. But as Arnie Schwarzenegger famously said, 'I'll be back'. Jason has University study commitments to meet but his work on BoM was appreciated by all. The Life Governors are pleased to see that Jason, like Helen and Andrew, got bitten by the Black Swan magic; so, we hope we'll see more of Jason when his studies are behind him.

Keeping all of this together is President Rob, but he has assembled a strong and able Board; so well done all. Maroochydore SLSC is renowned far and wide for its stability, its administrative acumen and the '#Loyalty, Guts and Glory' of our famous brand.

To our Lifesaving Club Staff - Lauren and Kat - you are magnificent; thank you for your 'over-and-above' service to our volunteers and to the public.

PATROLS

Week in, week out, our volunteer patrols present proudly and magnificently on our beach in their red-and-yellows. Club Captain Drew Moles took over from Andrew Youngman early in the current season; thank you Drew and thank you Andrew for your thoughtful and energetic stint as our Captain.

We proudly acknowledged a series of very fine life-preserving rescues carried out away from our flags 'where we can't see you!' These are noted elsewhere in this Annual Report, but the Life Governors give a shout-out to the three Williams sisters for their quick thinking and courage early in the season, to definitely save more than one life - Morgan (a young adult), Ruby and Ava (12 years old) instantly combined to carry out the multiple rescues whilst 'off-duty' near the sandbags at the river mouth. We are all so proud of what you did. We observe that your matter-of-fact service does you, your family and our other young lifesavers proud.

And thank you to Chief Training Officer Michelle Burnett and her team of Trainers & Assessors for your leadership and the time you put in.

MAROOCHYDORE SURF LIFE SAVING SUPPORTERS' CLUB

Thank you and goodbye to Club Manager Jack Orr who has moved on to Mooloolaba Bowls Club. Jack and his Staff won a number of accolades in the annual Clubs Queensland Awards over the years. Good luck for what lies ahead, Jack. And welcome to new Club Manager Tim Wagner who brings his own brand of leadership to the role.

The refurbishments of the Supporters' Club this year were overdue and are mainly most welcome. (You can't please everyone) but the Life Governors note our cheerful and courteous Staff. Many have worked at our Club for a long time - a compliment, we think, to both Jack and Tim.

THE SURF CLUB REBUILD - 'TOWARDS 2023'

Life Member Laurie Murphy is driving this complex and demanding initiative. State Officials describe our preparedness as being outstanding. This is down to many skilled people in a large Team. Thank you all. And to all members the Life Governors say - get on board, come for the ride with us to 2032.

SURF SPORTS

The Club took a small Team to the AUSSIES in Perth, but we won many, many podium finishes (80 medals!) and contested many Aussies finals. The support team was so, so good, thank you to all the parents who helped in the effort and our Coaches - you were superb. Our athletes, through joy and frustration, always displayed the Black Swan spirit. The Life Governors are very proud of what went down in Perth.

And thanks to our Officials who trekked all the way to Perth, led by Senior Official, Life Member Mick Lafferty.

For the record 18 Gold, 20 Silver and 9 Bronze, making 32 Australian Champions.

VALE

We said farewell to four Life Members this Season:

Arthur John ('John') Rigby- BM 1958, LM 1985.

John ('Gozzer') Goldsbrough- BM 1952, LM 1966.

Danny Topfer- BM 1987, LM 2004.

Jim Graham- BM 1959 (Clovelly SLSC), LM 2012.

John Rigby, our No.1 cap and our most famous member, passed away very late last season, aged 78. John was farewelled at his beloved West End among family and Club members.

Gozzer was farewelled by his Belli Creek Community, his Maroochydore SLSC Community and his beloved Family. Gozzer's ashes were scattered at his beloved farm and on his beloved beach. A fine man enveloped in love, respect and admiration. Aged 87.

Danny, gone way too soon at age 51, was farewelled by a huge crowd at Bulimba in Brisbane, attended by many Club members, who assembled again for the laying of his ashes at Maroochydore. Danny, a quiet achiever, did so much for so many of his fellow members. An Australian Champion laid sadly to rest.

Jimmy, who died in the company of family in Gladstone, aged 85, but whose memory was celebrated again at Maroochydore, where his ashes were laid to rest.

Other senior members to leave us were:

Barry 'Little Moose' McDonald, BM 1961.

Malcolm 'Spider' Newing, BM 1955.

John Stone, BM 1958.

LIFE MEMBERS LUNCH AND RECOMMENDATIONS FOR ELECTION TO LIFE MEMBERSHIP

On 05 May 2023, in the absence of Mal, Life Governor Ralph hosted the day, and the wheels didn't fall off. For the second year our guests included the widows of our deceased Life Members. This was a popular initiative last year and will be a permanent invitation.

At time of writing, we have 96 Life Members elected since 1940, with 32 deceased and 64 still with us!

Wade Lee joined the LM Nominations Committee this year. He joined Victoria Berry, Kerry Taylor, Glynn Topfer OAM and Life Governor Ralph. Mal stood down from the Committee after many, many years, to make way for a younger Life Member.

The institution of Life Membership continues to be healthy, with more excellent candidates recommended for election at the 2023 AGM.

Life Member Bernard Duncan

When Bernie Duncan transferred from Picnic Bay SLSC in July 2002 he was already notorious. He was the brother of Peter 'Fish' Duncan, our lion-hearted surf swimmer of the 1980s. Time proved, however, that Bernie was, on the whole, better-behaved after dark. Just kidding. In terms of commitment to the Black Swan, Bernie has taken up where his brother left off, in living our motto: 'Loyalty, Guts and Glory'.

Since the day he walked in the door at Maroochydore SLSC, Bernie Duncan, supported by wife Vicki, has rendered 20 years of conspicuous service to Maroochydore.

In each of those 20 years Bernie has performed an average of well over 40 hours of voluntary surf patrols.

Initially Bernie showed his ability as a boat rower where he quickly became a key figure, always giving 100% and bringing a friendly attitude and a sharp wit to the boat section. The first 15 years were spent as a Masters Boat competitor where his crew featured every year at Branch and then State level. In 2010-11 his 240 years crew won the Masters Boat State Championship, a competition highlight for him.

Three years of service as Boat Captain in Seasons 2011-2014 saw Bernie transform the Section in terms of teamwork, efficiency and fundraising. During his time at the helm (so to speak), Maroochydore won the Lifesaver Relay Championship of Australia in 2013, where the boat leg was critical to the team's only success so far in this event. Also in 2014 in his final season as Boat Captain, Maroochydore were crowned Queensland Open Boat Champions after a gap of 15 years on top of the podium. Bernie was respected for his great leadership of the Boat section in those three seasons and proved to be pretty good at raising funds too.

For those three years as Boat Captain, Bernie was an active member of the Board of Surf Sports, where he gave wise counsel and firm support to the Surf Sports leadership group each year.

Bernie's retirement from this leadership role as Boat Captain, due to other life commitments, was greeted with disappointment, but as at 2014 he had much, much more to offer our Club.

From 2009 and continuing, Bernie has devoted his prodigious professional skills and energy to the Maroochydore SLSC Supporters Club Committee - a total of 13 years' service so far. It is no accident, then, that this Committee has flourished over almost a decade and a half, with our Maroochy Surf business rising to the top of the Clubs' sector, being consistently recognised for its excellent performance. Every Club President in that period - Mike Dwyer, Tim Ryan, Steve Wieland and Rob Elford - will tell you that Bernie Duncan continues to be a big part of that story.

Bernie gained his Bronze Medallion in North Kirra SLSC on 16 January 1979. Do the maths: that's well over 40 years' active service to the Association around the State of Queensland, as he and Vicki and their family moved around pursuing his profession as a highly-respected property Valuer.

Bernie has won the following Club Awards at Maroochydore:

2004-05 - Terry Lane Memorial - member of the Most Efficient Patrol;

2013-14 - JFH ('Fred') Murray Memorial - Best Masters Club Person.

Bernie holds the 10, 15 and 20-year Patrol Service Awards. In the the 2018-19 Season Bernie was awarded the National Medal - a just recognition for a valuable patrol person of over 40 years' standing.

Bernie has gained 34 Surf Life Saving qualifications, an impressive achievement.

In the 2018-19 Season Bernie gave yet again of his professional skills, wisdom and compassion to join the Committee of the Mal Pratt Foundation for disadvantaged Youth. After the tragic death of its Chairman Shane Bridley in 2020, Bernie took over as Chair and remains in that position today, now having served two of a total of 4 seasons with the Foundation.

In 2019-20 Bernie also served as an ordinary member of the Board of Surf Sports.

The Duncan family has a proud tradition of service to Maroochydore SLSC, starting with the legendary 'Fish' in 1978, with Bernie's younger sister Therese Starr-Thomas and husband Brooke being among the Black Swan 'true believers'. Brother Tony Duncan is a frequent visitor. Bernie's parents Joy and Jim are still remembered as great supporters back in the 1980s. From among all of these true 'Black Swans' in the Duncan clan, Bernie has the distinction of being the very first in the Duncan family to be nominated for the respected office of Life Member. His distinguished career with the Black Swan has had the steadfast support of Bernie's wife Vicki.

If elected, Bernie will be our 94th Life Member since Bill English was elected in 1940.

Life Member

Michelle Burnett

Michelle Burnett's 21 years as a proud Black Swan has played out on so many levels: Eminently-qualified Lifesaver, efficient staff member, proud parent of 3 Australian Surf Life Saving Champions, Patrol Captain, Chief Instructor and long-term Surf Rescue Competition Official.

Michelle gained her Bronze Medallion at Maroochydore on 23 September 2001.

In those 21 years Michelle has performed an average of well over 40 volunteer patrol hours each year.

Michelle quickly joined the March Past team, marching at times in the belt where she remained for 3 Seasons until 2003; the team stopped competing in 2006 but Michelle's March Past career resumed in 2016 and in 2021-22 Season she constitutes a reliable part of an all-female back row; blokes need not apply!

So soon after gaining her Bronze, as early as the 2003-04 Season, Michelle commenced as a Patrol Vice-Captain.

One clue for such early leadership in patrolling duties is that in her 21 volunteer years, Michelle has amassed a staggering 98 SLSA Lifesaving Awards.

Michelle served as a reliable Patrol Vice Captain for a total of 8 Seasons.

Michelle Burnett began as a Patrol Captain in 2015-16 Season to 2021-22, 7 Seasons and continuing.

Michelle has received the following SLSA Service Awards:
2010-11 : 10 Year National Patrol Award and SLSQ Administration Service Award;
2015-16 : 15 Year National Patrol Award;
2018-19 : 15 Year Officiating Service Certificate.
2021-22 : 20 Year National Patrol Award

In the current season Michelle was awarded the National Medal, the pinnacle of active lifesaving and an award held by very few here at Maroochydore.

Meanwhile, it should be recorded in this Citation that between 2006 and 2015 Michelle ran the Lifesaving desk, as an employee, at Maroochydore SLSC and achieved the status of a 'Guru' in all things Lifesaving. So many members are grateful for Michelle's professional service in this role. Our loss in 2015 was Sunshine Beach Surf Club's gain.

In 2018-19 Season Michelle was appointed Patrol Gear Steward and was a Member of the Board of Surf Lifesaving.

In the period 2017-2020 Michelle served as Deputy Chief Training Officer on the invitation of Mike Dwyer and made a significant contribution to the steady rise in training standards and efficiency during those 3 Seasons.

In 2020-21 Season Michelle assumed the responsibilities of Chief Training Officer and has just completed her second season. A hallmark of Michelle's leadership as CTO has been the maintenance of a strong training team. Her simultaneous responsibilities this Season have been Patrol Captain, Chief Training Officer, Member of the Board of Surf Lifesaving..... and maintaining some sense of order in the back row of the March Past, especially with Toni-Maree Pettigrew, Fiona Meredith and Larrisa Hallam in there!

Many would argue that, despite this wonderful record of service, Michelle Burnett's proudest achievements lie in the outstanding character of her 3 children - Alyce, April and Clayton - not forgetting that they are all Australian Surf Life Saving Champions for the Black Swan. And in Alyce's case, a dual Olympian, with her now-husband Jordan Wood, in 2016 and 2020.

Whilst April and Clay pursued their successful careers in First Aid competition (2011-2017) Michelle backed up Coach Lenore Grice's team as an Official and fervent supporter in all things 'First Aid'.

Meanwhile, as Alyce pursued her Olympic dream in Rio and Tokyo, 2016-2021, Michelle morphed into an Olympic Mum and an Olympic Mother-in-Law of Jordan, and hopefully an Olympic Grandmum.

Such is the outstanding record of service, breadth of service and legacy of Michelle Burnett, she is recommended for election as Maroochydore's 95th Life Member.

Life Member

Kim Musgrave

Kim 'Kimbo' Musgrave joined Maroochydore SLSC on 10 June 2002. Kim brought with him a substantial career in Public Hospital Management, including a fine eye for financial detail. His largest posting had been as Business Manager (A07) of Royal Brisbane Hospital.

The legendary Bard Claffey saw him coming and was an excellent judge of talent, so in 2003-04 Season, after previously assisting Bard in the running of the Cotton Tree Markets for the Club, Kim began a stint of 7 years in the onerous position of Market Co-ordinator. This involved juggling stall-holders' bookings, ensuring compliance with the government regulations applying to public markets (including traffic regulations), collection of monies, running raffles and maintaining good relationships with Cotton Tree business-owners and the public.

The Cotton Tree Markets went for 12 months a year. Sunday mornings were always a 'full-on' activity from before dawn until early afternoon.

One of Kim's finest moments was when the Club was sent a 'Letter of Demand' from the renowned international fashion label, Louis Vuitton, alleging the sale of counterfeit handbags at the Cotton Tree Market by a stallholder. Louis Vuitton was no match for Kim! He produced countless Market records which clearly proved that full due diligence was continuously exercised by him as Market Co-ordinator, with proper emphasis on counterfeit goods. Kim wrote a comprehensive reply to the insinuations made by the lawyers on behalf of their client Louis Vuitton, the fashion juggernaut. A costly threatened legal action from Louis Vuitton of France soon disappeared without trace.

The Cotton Tree Markets were a huge boost to Surf Club funds in those days, and were wound up in about 2011, only when Council decided to give another Charity a go at running them.

But as at the 2010-11 Season, Kim had much, much more to contribute to the fortunes of his beloved Black Swan.

In the second half of the 2010-11 Season Kim became qualified as a Patrol Radio Officer and still performs in that role today. His steadfast commitment to this role has seen him regularly perform between 60 and 70 hours of Radio Patrol per season, with a staggering 188 hours performed in the 2020-21 Season. And what's more, Kimbo's performance on the beach PA system has improved over the years, demonstrating a smooth 'bedside manner' in dealing with

straying swimmers, board riders and beach emergencies.

Kim has been recognised in the following Club Awards:
2012-13 Season - Terry Lane Memorial for Most Efficient Patrol;
2019-20 Season - Terry Lane Memorial Trophy for Most Efficient Patrol;
2020-21 Season - Fiona Simpson Trophy for Most Patrol Hours, and
- Athol Nixon Memorial Trophy for Best Radio Officer.

So here we have a volunteer who moved easily from being responsible for an important year-round fundraising activity for the Black Swan, the Cotton Tree Market, to bolstering the patrol efficiency of our Club. But Kim's prodigious volunteer career still didn't stop there.

Which brings us to the best volunteer record of all. Kim's role as Club Grant's Officer started with a conversation between President Tim Ryan and Kim in about 2011. Tim asked Kim to consider helping the Club with grant applications, to fund acquisitions of lifesaving equipment. During the next few years as Kim warmed to his task, his role gradually formalised.

Our records show that Kim Musgrave formally took on the role of Club Grants Officer and immediately started achieving results that all other Surf Clubs are envious of. Kim is recognised for his consistent fundraising effort, the like of which has never been seen in our 106-year history.

It is estimated that Kim has been responsible for raising in excess of a \$1,000,000 since his partnership with Maroochydore SLSC; when all sources of funding and Lifesaving equipment are taken into account. Kim Musgrave has employed his detailed knowledge of the government grants process towards the provision of Lifesaving equipment for our vital on-beach responsibilities, which of course is our 'core business'.

It must be acknowledged that identifying and applying for Grant funding is a painstaking process, then you have to acquit or justify the Grant to Local, State or Federal government after the Grant is spent on the stated purpose. This is a detailed process that suits the considerable talents of our nominee for election as our 96th Life Member. Kim's 20-year commitment across a range of Club activities is truly exceptional and our Club is so much the better for Kim's significant volunteer work.

President's Report

Rob Elford

For the 107th season Maroochydore Surf Life Saving Club has protected, safeguarded, and educated the public and its members. Our long history of no lives lost between our flags' remains intact, but only because of the skill, training and quick responses of our Lifesaving members.

This season 314 Active members patrolled our beach, over 10,000 patrol hours were logged and in excess of 86,000 people visited Maroochydore beach while our patrols were on duty.

This season the Club carried out two Surf Safety Awareness programs, firstly for 150 primary school students and then for 120 foreign students studying on the coast. The goal was to educate and highlight the dangers of the surf and how to safely enjoy their time when at any beach. The programs were manned by volunteers from the Club, who as expected did a remarkable job in educating the students, many of whom had language barriers to contend with. These programs highlight our need to educate the bathing public, as to safe practises when visiting any beach.

The Board of Lifesaving continues in an ever-demanding environment to train, educate, and equip its patrolling members with the skills and equipment to safeguard our beach. There have been many grateful visitors who owe their lives to the actions of our Patrolling members, and in some cases members who were not on patrol but responded to their life-threatening situations. With our response time to those in trouble being paramount, the Club has purchased a new Jet Ski to add to its rescue equipment. This was only made possible through Grant funds which offset the cost of this rapid response craft. We have also replaced both of our SSVs with two new SSVs, again because of a funding Grants secured by our ever-vigilant Grants Officer, Kim Musgrove.

Donations and Sponsorships again this season enable us to keep all our equipment up to date and rescue ready, without these funds we would surely struggle to have the standard of rescue equipment we need to carry out our designated patrols.

We are truly fortunate to have so many dedicated trainers and accessors, who continue to give of their time to ensure that we are all equipped with the knowledge and skills to do what is needed on the beach. Our CTO, Michelle Burnett, once again has gone above and beyond with her team to keep everybody skilled and ready to patrol.

Surf Sports achievements continue to surpass our expectations with a 4th place at Senior Aussies and 2nd

(unofficially) in the Youth Titles in Perth and winning the Qld Beach Series Championship for the third season in succession. Being represented in the Nutri-Grain series by Tiarnee Massie and Adam Palmer and a line-up of Next Gen athletes about to break into the Nutri-Grain, our elite level members will play major roles in the coming seasons.

Sam Short continues to carve his name in the Pool history books and Alyce Wood has again, so soon after the arrival of their first child, won selection in the National Kayak Team. The Club is proud of you both and looks forward to seeing you along with some of our future young athletes compete on the International Stage.

Every section this season has excelled in their performances at the Beach, in the Boats, First Aid, Champion Lifesaver, Surfing and all Surf disciplines. Travelling to Perth is always a mammoth task, both logistically and financially for the Club and its members, but everyone rose to the task, and I congratulate you all.

Our Junior members have performed above expectations all season in all disciplines, coming 2nd at States (after a recount) and 2nd at the National Youth titles in Perth (unofficially).

Our Coaching Staff, both paid and volunteer, continue to train and support those members who are willing to listen and learn those skills that will be needed to place them at the top of their respective disciplines.

Nathan Greig, our Head Coach, continues to dedicate his time and skills leading an impressive line-up of skilled Coaches, with names like McSwan, Dale, Baxter, Grace, McGrath, Grice, Brooks and a host of support personnel, we are well placed moving towards 2023-24 season and Aussies on our own beach.

The results achieved are only because of so many support people giving of their time to ensure every competing member has the best opportunity to just race and not worry for every box that needs to be ticked in the background.

Our Team Managers have all season devoted their time to ensure every competitor is registered and able to concentrate on competing. It is sometimes a thankless volunteer task, but we do thank you. To all those Water Safety, IRB, First-Aid, Age Managers, Officials and Support Personnel the Club is grateful for your contribution. To the volunteers that have run the Kiosk every Sunday and on carnival days your contribution can not be understated. Thank you.

President's Report

(cont.)

The Future Building plans to ensure we leave a legacy for our future generations are well underway. The Building and Works Committee are progressing with the multitude of approvals and planning that will be needed to see the vision of our new Club become a reality.

I would sincerely thank all those members who have this season volunteered their time and energy and taken up a position on a Board or Committee to ensure our Club and its members are guided and supported through the many hoops we all must jump through.

To Lauren, Katherine and Kerrie, who are the glue that holds the administration office together, and support all the members and Directors our sincerest gratitude for all you do. Thank you.

There has been many improvements around the Club this season to enhance member safety and benefits, again most of which has been made possible through Grants and Donations. Some of these include.

- 25% Active member discount within the Supporters' Club.
- New storage areas at the northern end of the Club
- Two new SSV's
- A new Jet Ski
- New racks for Lifesaving Boards
- Updated security and camera system on ground level (member safety)
- New doors on the Nipper storage area
- Updated camera system for the Sixth Ave Gym and training room
- Revamped entry system for Gym

Once again, this season we have run two very successful carnivals, The Murphy Homes and Rebel carnivals, which were well attended and grow in popularity as a must-attend carnival on the Carnival calendar. The Murphy Homes Carnival was boosted this season by being a Summer of Surf event. Murphy Homes continues to financially support the Club, and this carnival which every year grows

in popularity.

The Supporters' Club has had a much needed refurbishment which has given the Supporters areas a new lease of life. This is planned to carry us through to our rebuild. Our new Supporters General Manager, Tim Wagner and his team continue to surpass previous benchmarks set at the Club and are well placed in a very competitive market.

As the Maroochydore Surf Life Saving Club's Major Sponsor, donations from the Supporters' Club and rent have increased dramatically this year.

Year	Donations	Donations in Kind	Rent	Totals
21/22	\$180,000	\$83,637.60	\$436,857.37	\$700,494.97
22/23	\$420,000	\$194,563.85	\$510,745.49	\$1,125,709.34
	133.5% increase	127.19% increase	16.92% increase	

The Active Club's internal loan repayments to the Supporters' Club has also been in excess of \$120,000 this season.

I must thank all the members of every Board and Committee, but most of all, those members of the Board of Management and the Supporters' Committee who at every turn have put the best interests of the Club first and foremost. They have dedicated hours over and above what one would call reasonable and all because of a willingness to serve our great Club.

This has been my third season as President. It has been a privilege and Honour to have served the interests of the Club and its members.

ONE CLUB, OUR CLUB

Maroochydore SLSC Shimoda LSC Exchange Program Report

Peter Dun, Coordinator

After a three-year break due to Covid-19 and international travel restrictions, it's great to report that the Maroochydore Shimoda Sister Club Exchange Program is up and running for 2023.

Once again Maroochydore will send a team to Shimoda in August to live, patrol and train with Shimoda club members, as well as sharing cultural experiences and sightseeing. Whilst our Expression of Interest mentioned a team of four to six, Shimoda have requested a smaller team be sent this year, so our team will consist of two Maroochydore members to be announced at the Annual General Meeting and Dinner.

Our December program is also recommencing this year where Shimoda Club members will live in at Maroochydore Club to participate in a Surf Sports coaching program, plus sightseeing and a variety of Australian experiences.

The August and December programs were historically focussed on lifesaving and patrolling skills development, however by 2009 the Japan and Shimoda lifesaving systems had developed significantly with different techniques to Australia. Consequently by this time, the December program at Maroochydore had transitioned to a Surf Sports focus, assisting Shimoda to win Japan Lifesaving Association Championships in 2009 and 2010, and narrowly coming second in 2011.

2023 is also the 25th Anniversary of the exchange program since the official signing of the Maroochydore Shimoda Sister Club Exchange Program backdated to December 1998. Maroochydore SLSC and Shimoda LSC are looking forward to celebrating this anniversary together during 2023.

To coincide with the 25th Anniversary, work has been ongoing over the past two years to gather, collate and publish the History of the Maroochydore Shimoda Sister Club Exchange Program in both English and Japanese languages, ready for the recommencement of the program in 2023. The history will also become available via the Maroochydore SLSC website.

This milestone year sees some significant movements in the Shimoda Committee at Maroochydore. After 20 years in the program and 15 years as Coordinator, Peter Dun is standing down with a new Coordinator being elected at the Annual General Meeting. Also retired from the Committee in 2023 is Alan Vidler who has been a stalwart of the program and Surf Ski trainer for over two decades. Mike Dwyer Coordinator from 2000 to 2009 and Fran Boulton, who are both 20+ year Shimoda program mainstays, and Jason Childs continue with the Committee. Two new youth members Damon Nixon and Sarah Bryan have joined the Committee to fill the Youth Liaison role previously done by Ben Ellwood. Both Damon and Sarah have previously travelled to Shimoda and assisted in running the December program at Maroochydore. All Maroochydore members are welcome to join in and assist with the Shimoda program in December.

We would like to acknowledge and sincerely thank the Australia Japan Foundation (AJF) within the Federal Department of Foreign Affairs and Trade (DFAT) for two recent grants supporting the History project and 25th Anniversary project, together with their support and grants provided over previous years of the exchange program.

The Shimoda Committee would also like to acknowledge and thank the Presidents and Boards of Management for their support of the program over the past 25 years. We would also like to acknowledge the inspiration and efforts of Mal Pratt OAM, the late Stan Wilcox OAM and Ako Hisamatsu to conceive and develop the relationship from 1993, and establish the program officially in 1998.

We are all looking forward to our relaunch in 2023, and to a bright future ahead.

Mal Pratt Youth Development Foundation

Bernie Duncan, Foundation Chair

The year has seen largely the same number of beneficiaries being supported with varied financial assistance incorporating in the main part assistance with membership fees, training costs and tuition; especially swimming.

Supported youth are undertaking a range of Surf Club and Community based activities. Coaches and Managers reporting favourably on their participation and development.

Our Charity Golf Day was once again tested by weather and numbers were down. In the end a great day was had by all with some young players from the home club Headland, taking home the chocolates and the Shane Bridley Shield.

To the regular volunteers, thanks for your help. To the generous hole sponsors, the ongoing support is much appreciated. Big thanks to Lauren who was a great help on the day with many of the regular troops either sick or away.

The "Nick and Gerry" bar again being a big winner on the day.

Again, we have received, through the Future Generations Australia, a sizeable donation which is greatly appreciated.

The big highlight was seeing a beneficiary graduate from the Sunshine Coast University as a Paramedic.

This achievement represents a wonderful milestone for the individual, and the Mal Pratt Youth Development Foundation. It represents a realisation of the Foundations goals and the vision of Mal in establishing the Foundation, and the initial hard work of Shane.

After addressing some structural and operational issues, the Foundation is working hand in hand with Surf Lifesaving to continue to support positive development of youth on the Sunshine Coast.

‘Maroochydore Surf Life Saving Supporters’ Club Inc General Manager’s Report Tim Wagner

It has been a pleasure to assume the role of General Manager of the Maroochydore Surf Life Saving Supporters’ Club, such an iconic venue on my favourite beach on the Sunshine Coast. Since my appointment in July, I have directed my focus to modernising and updating the venue, improving our menu offerings, fortifying our workforce, and lastly, increasing our contribution to Maroochydore Surf Life Saving Club and to local charities.

The Supporters’ Club underwent some much-needed refurbishment with the result being a modern and sophisticated venue. In addition to aesthetics, we have fixed several underlying operational and technological issues. We have also updated the gaming room and made enhancements to the Black Swan Room. These improvements give us the capacity to compete with other large hospitality venues in this heavily saturated area.

This year has been marked by recovery from the many residual challenges yielded by the pandemic. Notably, widespread supply chain shortages which resulted in skyrocketing costs of goods and an immense skilled labour shortage in some departments. We have succeeded in overcoming these challenges and have finished the year in a stronger position, with a more professional team. This has enabled us to refine our menus, deliver consistently elevated products and provide a high standard of customer service.

With the alignment of our modernised space and improved hospitality operations, we had a strong year with the club performing well in all departments

demonstrated by an EBITDARD of 16%, a fantastic result. This has enabled the Supporters’ Club to supply the Surf Life Saving Club with \$420,400.00 in donations and \$194,563.85 in donations in kind to the combined total \$614,963.85. This total is in addition to the rent paid throughout the year and demonstrates our achievement and commitment to our main goal of providing financial support to Maroochydore Surf Life Saving Club.

With providing exceptional hospitality and continued growth as a priority, I intend to increase trade in this financial year. I also aim to expand community involvement and build up local support; all of which contribute to the goal of rebuilding the Club and most importantly, keeping the beach safe. I look forward to another year at the Maroochy Surf Club.

Lifesaving Administration Report

Lauren Mulholland

It was yet another strong year for Maroochydore Surf Life Saving Club, completing the 107th season of patrolling which resulted in the continued prevention of loss of life on Maroochydore Beach. To the members who volunteered their time and skills to contribute to this monumental task; I congratulate you.

Maroochydore Surf Life Saving Club successfully hosted the Rebel Junior Carnival and Summer of Surf Murphy Homes Carnival this season. The hosting of these events is no small undertaking. The level of work required in the lead up and on the day is inordinate, and I am proud to say was only made possible by the members of both Maroochydore Surf Life Saving Club and Maroochydore Surf Life Saving Supporters Club, who volunteered their time and ensured these events were a great success.

Events held throughout the year such as our Race Day, Charity Golf Day and \$10,000 Draw were integral activities that allowed us, in conjunction with the numerous grants obtained with the assistance of Kim Musgrove, to purchase a myriad of lifesaving equipment to ensure the safety of Maroochydore beachgoers; and facility upgrades to provide a more functional and safe space for members.

The administration team provide support to all sections of the Club. Each day is ever-changing, and we adapt quickly to the varying task priorities and challenges. Thank you to Katherine, Kerrie and Cath for your efforts and support in our dynamic work environment.

I would like to recognise several key contributors, without whom all that we as a Club have achieved over the past twelve months would have been unattainable.

First, to our Executive body; the Committee Members, Life Members and Life Governors all of whom volunteer a significant amount of time to ensure The Black Swan continues to thrive.

Second, our Sponsors. Without the contributions made by our generous supporters it would not be possible for us to maintain the high standard of public service for which Maroochydore Surf Life Saving Club is known.

Finally, to our Members; For whatever role you have played, I thank you for your contribution and support to the Club. The time and effort invested by our members, is above all else what allows Maroochydore Surf Life Saving Club to be what it is today.

Board of Administration and Membership Report

Kirk Williamson, Director

It is my pleasure to present the Board of Administration and Membership Report to the 2023 Annual General Meeting. Many successes were attained by members throughout the 2022-23 season, and these are highlighted in the 107th Annual Report and Financial Statement.

I acknowledge and congratulate all our Annual Club Award recipients.

Special thanks to Lauren Mulholland and Katherine Latham for their assistance and overall coordination, formatting, and compilation of the Annual Report prior to being sent to the printers.

Many thanks also to members who contributed written articles and the many photographs of major activities throughout the season. Such visual descriptions help to capture in a more insightful way the many wonderful achievements during 2022-23, and thereby contribute to the ongoing documentation of our Club's enviable history.

The achievements of Maroochydore SLSC and its members can be measured by the extent of the contributions of its members. Every contributing member makes our Club stronger.

With the usual challenges along the way, patrolling members again served the community with distinction throughout the season. Congratulations to all our resolute patrolling members for their admirable efforts. There were some notably rescues during the season, and these are described elsewhere in the Annual Report.

Maroochydore SLSC has now upheld the proud tradition of 'no lives lost between the flags' for 107 seasons. Members understand the importance of 'Vigilance and Service', and how rescues can be avoided through early interventions and preventative actions. This is a remarkable achievement which every member and supporter should find very satisfying. The development of a Club culture that embraces service to the community through active voluntarism is a strategic aspiration.

Early this season each patrolling member, regardless of their membership category, and who completed at least 25 patrol hours in the previous season, were provided with a \$80 Queensland Government subsidy in recognition and appreciation of their volunteering efforts as a patrolling member. The scheme will continue into next season, but in subsequent years the criteria to be eligible for payment is expected to change.

The Maroochydore SLSC Supporters' Club continued this season with the 25% discount on all food and beverage purchased in the Club by Active members, including Life Members and Long Service Members. This is a wonderful gesture that recognises members' exemplary service to the community.

Like any volunteer organisation, membership strength is crucial for the long-term viability of the Club in meeting its objectives. Key data relating to the retention and recruitment of members, as described in the 2022-23 Digital SLSQ Membership Statistical Reports, include:

- Total membership across all categories reached 1175 this season, surpassing the record number of members

achieved last season. However, most of this increase can be attributed to the new initiative of extending Honorary Vice-President membership to the 38 partners of Life Members, thus recognizing their significant contributions over many years of service to the Club.

- The number of Active Senior members reached 177, which is at the highest level for the past eight years. Strong Surf Sports and Education/Training programs underpin the higher retention rates, which has increased the overall number of members.

- Long Service membership reached a high level of 105 during the season, and many of these members have not really 'retired', so to speak, but are continuing to contribute to the management of the Club as well as patrols, competing in Surf Sports, and training others. It is critical that members with such experience continue to mentor and to act as role models for our younger/less experienced members.

- Membership levels as shown by the combination of Cadet, Active Junior, Active Senior, Award Members and Reserve Active Members can be seen as an indicator of the patrolling strength of the Club. For this season, Active membership has totalled 314, which is above average for the last eight-year period.

- The Chief Training Officer, Michelle Burnett, and her skilful and supportive team are to be congratulated for their training of Active members across the full range of Awards, as well as the substantial number of Skills Maintenance sessions. All these programs continue to contribute to the increased skill sets of patrolling members. It is pleasing to observe the importance that the Club places on the training and education of its Active lifesavers.

- The community could describe Maroochydore SLSC as one of the most iconic clubs in Australia, and being the second oldest club in Queensland, it is rich in history and traditions. Nevertheless, based on the current trends in the medium to long-term, membership levels for the Club seem to be generated significantly from the large number of younger members.

- In particular, Cadets and Junior Active members number 110, which is the second highest for the past eight seasons, with the highest number of 115 being only last season. This is clearly the consequence of wide-spread parental support and the excellent programs in the Junior age groups, especially the quality of the coaching which they are privileged to receive.

- Moreover, the number of Nippers this season reached 276, and so there are a considerable number of younger members progressing through the various age levels, gaining valuable lifesaving and life skills along the way.

It is also worth noting that approximately 90% of our 207 Associate members are Nipper parents.

- The retention rate for Nippers and the younger active members stands at over 80% compared to the overall Club average of 74%. Furthermore, retention rates for our younger members are also significantly higher in the various age categories compared to most other Sunshine Coast Clubs.

- A statistic impacting on membership levels is the number of net transfers to Maroochydore SLSC in 2022-23. This comprised 84 transfers IN and 60 transfers OUT, leading to a net gain of 24 new members. These transfers covered a range of membership categories, and most importantly, the net transfers of new members should impact positively on our patrolling strength into the future.

For comparison purposes the number of members in the various categories at Maroochydore SLSC is listed for the past eight seasons in the table below:

Membership Category	15-16	16-17	17-18	18-19	19-20	20-21	21-22	22-23
Cadet (13-15yrs)	34	72	63	45	36	49	67	56

*Membership levels as shown by the combination of Cadet, Active Junior, Active Senior, Award Members and Reserve Active Members can be seen as an indicator of the patrolling strength of the Club.

The Aussies set the scene for an impressive conclusion to the Surf Sports programs this season. The outstanding results through the season, including supporting comments, are detailed in various articles in the 2022-23 Annual Report.

All athletes, managers, coaches, and supporters should be congratulated for their outstanding efforts, helping Maroochydore SLSC attain results amongst the top four clubs in Australia. Loyalty to the Club and fellow competitors was showcased by the athletes who competed in a full range of events, making it a real team effort.

Several of our U14 and U15 members, along with their older mentors, participated in Youth Development and Training programs during the season. These included the Youth Excellence Program (YEP), Leadership Excellence Program (LEP) and the Advanced Lifesaving Program (PULSE).

Furthermore, five Youth members from Maroochydore attended Camp Commando along with Leaders Morgan Williams and William Dowd. It is programs like Camp Commando that upskill our younger members' teamwork and leadership skills, which are so essential for our Club's future.

The Branch Youth Ball, which was held in early May, was a great social occasion and proved to be very popular amongst Youth members. Including the chaperones, Maroochydore had 30 members attend the Ball, which they thoroughly enjoyed.

The Club's Junior Captains, Ruby Williams and Stanley Jarrott, continued the tradition of joining with the official parties to lay a wreath during the Anzac Day Remembrance Services in Cotton Tree Park. They represented the Club with distinction during the solemn and moving service.

I extend my appreciation to the following members, who joined me as members of the Constitution Committee: Cassie Lee, Paul O'Brien, Narelle Souter, Glynn Topfer and Brett Williamson. President Rob also attended meetings of the Committee to provide his input when sought.

These members have worked with much dedication and experience, and they have made good progress towards developing a range of suitable amendments, and subsequently will seek endorsement by the members at General Meetings.

It is anticipated that the Constitution Committee will continue to meet into next season to make any necessary changes.

I would like to take this opportunity to record my sincere thanks to the President, Rob Elford, for the support, leadership, and guidance he gave to the Board of Management. Special thanks also to all other Directors and Officers in the Club for their on-going commitment to ensuring Maroochydore SLSC continues to succeed across all facets of Club business.

My sincere thanks to the members of the Board of Administration and Membership, and in particular the Youth Development Officer, Morgan Williams, who also assisted in other critical roles this season, namely Patrol Captain, Age Manager and Training. Her service to the Club has been outstanding.

Special thanks to the diligent staff in the Lifesaving Office, especially the Lifesaving Administrators, Lauren and Katherine, for the important role they continue to perform admirably for the Club.

Finally, but not least, I sincerely thank the Sunshine Coast community, carnival sponsors and donors, especially the Maroochydore Surf Life Saving Supporters' Club, for their generous and on-going support.

Board of Surf Life Saving Report

Drew Moles, Director

Firstly, I would like to offer a huge thank you to Andrew Youngman for the new initiatives he has introduced in the last two and a half years, as the Director of Surf Life Saving. The season started with our first Skills Maintenance Day in late August, and they kept happening every month right up to late December. The refreshed format continued from the previous season, which allows more time for our Trainers to engage with members, and more flexibility for our members to schedule Skills Maintenance around their other commitments.

We were fortunate to purchase a Jet Ski and introduce it at the beginning of the 2022-23 season, which kicked off in mid-September. The Jet Ski is another piece of vital equipment our Lifesavers can utilise when patrolling the beach and performing rescues.

All patrols functioned beautifully, which included a great turn out on Christmas Day. A big thank you to all the volunteers who put their hand up to keep beachgoers safe on such a busy day.

Morgan Williams, along with her sisters Ava and Ruby should be congratulated on their fantastic efforts for the rescue on Australia Day. Details on their outstanding efforts are conveyed on the following page.

During the season, Patrol One was kept very busy, headed by Patrol Captain Nathan Moore (first year PC). With four rescues on one patrol alone and they weren't all in the water! One in the car park and one on the beach near the sandbags. Their biggest rescue was a father and daughter who were found floating face down just outside the patrol area. The Duty Officer was extremely satisfied with Maroochydore patrols response to the very dire situation. Other rescues completed by the Barlow family during a routine roving patrol included dragging patients out of the water.

I would like to thank all of our patrolling members, who put in an incredible number of hours this season to keep our beach safe. All our Trainers have put in an enormous amount of volunteer hours to ensure all our patrolling members are up to date with our educational course requirements.

We are fortunate to have a Training Team that allows us all to do what we do. Our Trainers are vital members of the Club; upskilling our members and allowing us all do what we do.

Thank you for your ongoing support and commitment to the betterment of our Club.

Going forward, planning has already started for the 2023-24 season. We have expected 40 new SRC's to come on board and commence volunteer Lifesaving; plus 30 SRCs to Bronze Medallion upgrade qualifications.

I would like to thank all those for supporting this year's Surf Life Saving Committee:

Major Rescue

PC Morgan Williams (Patrol 13) and her twin sisters Ava and Ruby were called away from their Australia Day BBQ to rescue four people from the water. Here's what happened:

"My family and I had been at the beach, between the club and the sandbags, having a BBQ and celebrating Aussie Day, surfing and racing each other on the mals.

We were about to leave when I saw four people in trouble, about 100m from shore.

I shouted to the twins "Rescue" and we all headed into the water with our Boards.

One woman was under water, so I headed to her first, and directed Ruby and Ava to the other three people in need. I got the woman onto my Board. She was clearly struggling and very distressed, asking for me to not let her die.

With the help of another swimmer, Ruby got a larger, semi-conscious male onto her board while Ava picked up another man. She directed the last patient to a nearby sandbank, unable to get two patients onto her Board.

We called over the roving Jet Ski, who called for the IRB from patrol to assist with Ruby's patient.

Once the IRB was on the way, I returned to shore with the woman, a holiday maker from Mexico, and gave basic First Aid as she had taken on a lot of water. Ava made her way to the beach with the woman's partner.

Ruby then picked up the last patient, who had slipped off the sandbank. Ambulances were called for the woman and the semi-conscious Australian man, and they were taken to hospital.

I have to say, I am super proud of my 13-year-old sisters, for how they acted in this situation, considering they have only just completed their SRC. It's one thing to perform a mass rescue when you are on patrol surrounded by other team members, but quite another to jump up from your 'snags' and 'lammos' and rescue four people."

Maroochydore SLSC member Morgan Williams

Two people from the group who were rescued, Dan and Marco from the Philippines, returned to Maroochydore Beach late April to say 'Thank You' to Morgan, Ava and Ruby for rescuing them on Australia Day. In their own words, "We'd not be here without them".

Chief Training Officer's Report

Michelle Burnett

Another successful year in education and training at Maroochydore SLSC – congratulations to those who upskilled and gained new awards. A total of 253 awards were completed. This provided a boost to our patrol strength and the service we provide to the public. Skills Maintenance again had a strong participation with 390 members renewing their awards and improving their skills.

Congratulations to all who attended and thank you to the assessors and content experts who assisted on the Skill Maintenance days. The strength and skills of our membership is something we should be proud of. The training season started with the annual SRC/ Bronze live out Camp held in the September school holidays. 28 SRC and 41 Bronze Medallion awards were gained. A big thank you must be extended to all the helpers who assisted me in the organisation of this Camp. You all did an amazing job.

Members completed a large range of awards this season: Radio Operators/Observers Certificate, Silver Medallion Beach Management, SRC, Bronze Medallion, ART (AID), First Aid (AID), Rescue Water Craft, IRBC, SMIRBD, Tractor and SSV.

SLSQ have advised that In the coming season we will be seeing changes in some of our major courses and their delivery which we look forward to embracing after many years of consultation.

Our small group of trainers, assessors, content experts and water safety have done an amazing job this season, they give their time and expertise freely and without them we would be lost. So, a huge thank you to you all.

First Aid Officer's Report

Amanda Massie

Another season down and no lives lost on the beach. Thank you to all patrolling members for keeping the beach safe and to the members who administered First Aid in a diligent and professional manner.

Congratulations to all members who have upgraded and obtained their First Aid and ART awards and thank you to Mike Dwyer and Andy Walpole for delivering these courses. Mike and Andy have once again continued to upskill and renew our First Aid and Advanced Resuscitation holders and educate new members to ensure we are able to keep our patrolling members well skilled.

Throughout the year our First Aid members oversaw the safety of all athletes at the Rebel Junior Carnival and the Murphy Homes Carnival. Thank you to all those that volunteered their time once again. I am sure it was greatly appreciated by all the athletes, and I look forward to more members stepping up next season.

The First Aid room has been well stocked and maintained and a big thank you to Phil Lyons for stepping in to cover me when I am away.

Lastly, a big thank you to the Board of Surf Life Saving for your continued support.

See you all on the beach next season.

Board of Surf Sports Report

Danny Short, Director

In my previous three reports I have been able to report that we achieved “best ever” results at the Australian Championships (the Aussies). Whilst I can’t say that this time, we nevertheless came very close and placed 4th on the Overall Open pointscore:

Northcliffe	510	(480 in 2022)
Newport	251	(200 in 2022)
Burleigh Heads	176	(141 in 2022)
Maroochydore	168	(181 in 2022)

The Aussies serve as the most important performance indicator for the Surf Sports program and at the 2023 Aussies we achieved a total of 47 medals across Open and Youth competitions against the record 49 medals won in 2022. A further 10 medals (5 in 2022) came our way in Masters competition.

In terms of Gold medals, at the 2023 Aussies we brought home 18 Gold medals which fell just short of our record haul of 19 golds at the 2022 Aussies. Most pleasingly, Maroochydore won medals across all but one section and has now won 266 Australian Championships since 1961.

A full list of our Australian champions and all medallists are listed elsewhere, but here is just a snapshot:

- Back to Back to Back - U23 Surf Boat Crew (The Force) of Michael Brooks, David Lough, Tom Barrett, Sean Cauley, Matthew Eggins, Masen Lough
- Double Gold - U17 and U19 First Aid – Seanna Thompson and Phoenix Wilson
- Fastest Man on Sand - Tom Johnston – two Gold medals – U17 Beach Sprint and U17 Mixed Beach Relay
- Golden Girls – Reagan Copsey (three Golds), Mary Thompson (two Golds), Sophie Hebron (two Golds), Ruby Twiggy Williams (two Golds)

I would like to acknowledge all our competitors and supporters who undertook a range of fund-raising activities to assist with meeting the high cost of getting our team to Aussies. In particular, thank you to Melanie (MJ) Holmes, who spearheaded these activities together with Nat Jarrott, Mylee Hale and Melissa Shield.

In excess of \$16,500 was raised from a range of activities including funds from school awareness sessions (so popular the Prime Minister turned up to the second session), the popular cash boards on Nipper Sundays, Santa Photos on the Beach, E-bike raffle and framed silks donated by jockey, and James MacDonald (winner of the Cox Plate and Melbourne Cup).

Maroochydore sent our largest team ever to an interstate Aussies. I would like to thank all our volunteer Team Managers, Coaches and Supporters who travelled to Perth to help the team.

Our Beach Section has enjoyed its most successful season in our Club history, including a record 14 medals at The Youth and Open Aussies (4G, 6S, 4B) and accumulated the most points of any section at the Aussies, which is a first for our Club. Congratulations to Todd McSwan whose vision and energy has driven this success and of course Beach Team Manager, MJ Holmes.

Maroochydore recorded some outstanding results in the rich Summer of Surf series with Adam Palmer taking the overall Open Male Board title, Tiarnee Massie 3rd overall in the Open Ironwoman, Britt Ackerley 2nd Overall U15 Female Board and Joel Piper the highest ranked U19 Ironman in the overall rankings.

A record eleven of our ironmen and ironwomen competed in the Nutri-Grain Iron Trials with Adam Palmer and Tiarnee Massie comfortably winning spots in the Series. In what is the most competitive event on the calendar, Tiarnee secured 5th place in the overall Series and I have no doubt there are some very exciting times ahead for Tiarnee. In the men, as one of the youngest in the Series,

Adam secured an overall 18th place in a highly competitive field. Adam will benefit from the experience and has the skills and ability to be up there with the big boys.

Both Tiarnee and Adam have been at our Club since Green Caps and over many years have demonstrated an amazing level of loyalty. A week would not pass without athletes such as Tiarnee, Adam and many others not being tempted to move to another club with the promise of financial and other reward. As a Club we must strive to better recognise and reward our long serving and loyal competitors as it has, and always will be, our most significant strength.

In the super competitive and cut throat Nutri-Grain Next Gen Series, Joel Piper placed 3rd overall and therefore just missed automatic qualification to the KNG 2023-24 series. There is no doubt Joel will soon find himself in the Series and on the back of his amazing work ethic and skill level I believe he will then make a real impact.

The Murphy Homes Maroochy Classic became part of the Summer of Surf Series in 2022 and went to another level in 2023. The more contemporary format for athletes, spectators and sponsors continues to grow the event with record number of entries and prizemoney. Unlike the 2022 edition, conditions were very tame but nevertheless very successful including coverage of the finals package on free to air television via 7+, thousands of live stream views and commentary was excellent.

The VIP enclosure was as loud as ever, particularly when any of our Black Swans were racing. Thank you to our major sponsors Murphy Homes and Aussie Fitness Equipment and our volunteer commentators Ralph Devlin and Jenny Parry. We look forward to your support in 2024 where with the support of our partners, Summer of Surf, we hope to attract Council investment (equivalent to their support of the Alex carnival) to grow our event and attract more spectators to Maroochydore beach.

Maroochydore claimed the Branch Pool Rescue Title, placed second at the Queensland Pool Lifesaving Championships, and 3rd overall at the Australian Championships. Thank you to our pool lifesaving coaches, John Baxter, Liam Short, Sarah McGrath and Team Manager Nathan McGrath, and our gratitude to Nathan Greig and Mountain Creek Aquatic Centre for access to their wonderful facility.

With the leadership of Jason Bristow and with the support from coach, Grant Thomas and Maroochy Surf School, the Fibreglass Cowboys enjoyed a very successful season highlighted with Grace McManis and Noah Andrew each taking the State Open title and Maroochydore ending 2nd overall. Grace went on to claim Bronze at Aussies in the U17s. Numbers continue to grow and with Aussies on the Sunshine Coast in 2024, we hope to see this growth continue. We need Malibu Riders to bolster the Cowboys ranks. So if you fit this description as a Mal Surfer get on down and speak with Jason!

As mentioned earlier, the Beach Section continues to grow and succeed under the guidance of coach Swanny. This season we again defended our Queensland Beach Series title by comprehensively winning all three rounds of the Series.

The Boat Section enjoyed another great season under the leadership of Michael Brooks. Headlined by a third consecutive Aussie Gold medal from The Force, the boaties enjoyed an amazing Aussies coming home with Gold, two Silver and Bronze. Earlier in the season, the Open Women’s Boat Crew of Rachel Reiser, Sophie Gruhl, Phoebe Child, Erin Smith and Sweep Michael Brooks created history to win the Open Women’s Australian Championship (short course) Gold medal. The Gold medal is Maroochydore’s first Open Boat Australian Championship!

Maroochydore once again asserted themselves as a leader in Lifesaving Sport. Lenore Grice continues to achieve amazing results, most notably coaching Seanna Thompson and Phoenix Wilson to double Gold in the U17 and U19 First Aid. Rookie coach Sarah McGrath achieved her most significant coaching feat by guiding Milla

Damsgaard to the U15 Champion Lifesaver Gold medal. Next season we are set to field U17 and Open Patrol competition teams for the first time.

Many of our members achieved representative honours during the season and these are listed on the following pages.

These achievements could not have been achieved without support provided by The Black Swan Academy (BSA). The BSA exists to assist with retaining our home grown competitors and provide support to these members who are achieving extraordinary things. The BSA is proud to be supported by the following sponsors and are grateful for their investment in Surf Sports. We look forward to repaying you for your loyalty in coming years:

- Maroochy Surf Supporters Club
- Grant Thomas and Maroochy Surf School
- Next Level High Ropes at Sunshine Plaza
- Kirk Jarrott and Poole and Partners Investment Services
- Grant Belcher at SwimFit Cotton Tree
- Black Swan Coffee Shop
- Alite Advantage, Mountain Creek Aquatic Centre

Development, retention and recruitment is critical to the long-term success of the Surf Sports program at Maroochyore. Retention of sponsors assists us to build a strong program that provides support to our athletes on the pathway from Nippers to National and World Champions. However, for a Club of our size and level of success, we are a long way from where we want to be.

On this note, this report would not be complete without recording the extraordinary achievements of two of our members who have been with Maroochyore since Nippers.

Alyce Wood (nee Burnett) is back! This amazing role model and two-time Olympian is back but this time is back as a first time mum. Alyce returned to the Senior Australian team for the 2023 World Cup and World Championships regattas with the longer-term goal of becoming a triple Olympic athlete. Alyce epitomises the Black Swan spirit and loyalty to our Club and we wish Alyce all the very best in the leadup to the 2024 Paris Olympics.

In winning the 1500m Freestyle Gold medal at the Birmingham Commonwealth Games, Sam Short became the first Maroochyore member to achieve such a feat. A Maroochyore Nipper and staunchly loyal, Sam has presented to our Nippers this season on the importance of sun safety. A cancer survivor himself and Melanoma Institute of Australia Ambassador, sun safety should be front of mind for every parent, carer, age manager and coach in our Club. We wish Sam all the best on his path to the 2024 Paris Olympics.

Thank you to our coaches led by Head Coach, Nathan "Bugsy" Grieg. This season Bugsy delivered two athletes to the Nutri-Grain Series, a podium finish in the NextGen and successfully consistent results at States and Aussies. Across Youth and Open competition, Maroochyore is consistently outperforming the larger, better resourced clubs that have successfully secured larger sponsorship. Congratulations.

Supporting our Head Coach we have Ski Coach Todd Grace and Clint Irwin as Board Coach together with Jake Dale in the Nippers. Todd and Clint bring a wealth of knowledge and experience to the program, which is the envy of all other clubs. Jake continues to be

a favourite with the Nippers and delivers results whilst ensuring the kids are having a great time. With continued growth in competitor numbers, our coach / athlete ratio is too high and will be addressed in 2023-24.

One of the real strengths of our Surf Sports program is the array of volunteer coaches including Lenore Grice, Sarah McGrath, David Lough, Tahlia McSwan and John Baxter to name just a few. Our program is in good hands. Our focus is to continue to build and invest in this program that ultimately will assist us to retain and attract members.

Thank you to President Rob Elford and the Board of Management for your support and foresight. Thank you also to each and every member of the Board of Surf Sports for your passion and drive to make Maroochyore successful and for your advocacy for our Surf Sports athletes and for taking a progressive approach to our long-term goals. And where would we be if not for the assistance from Lauren, Katherine and Kerrie in the office!

One of the biggest jobs in Surf Sports is the role of Team Manager. Brad Irvine performs this role professionally, calmly and without fuss and has agreed to go around for one more season. Thanks Brad on a job well done and I am sure we will make this last season very worthwhile! Big thank you also to Jo Rodd and MJ Holmes and a collection of "assistants" across all sections that help ensure our competitors race to the best of their ability on carnival days.

To all our members that volunteer their time to officiate, drive and crew IRBs, put up and pull-down tents, write down results, get coffee and generally just help and support the kids- thank you! A big thank you to Mylee Hale who is doing a wonderful job planning, designing and distributing our Club kit. Our Aussies jacket was a massive hit and most sought after on the beach.

I would like to congratulate all of our competitors for your hard work, commitment and dedication to becoming better surf sports athletes. Unless you have lived the life of one of our competitors it is difficult to comprehend the relentless weekly grind, early mornings, late nights, expenses, balancing work and study and then performing volunteer beach patrols. The more successful you become the harder it gets.

The 2023-24 season will be exciting with Aussies at home once again. We also commence the leadup to the 2024 Lifesaving World Championships where we will be defending our World Youth Champions title and making a tilt at the Open World Title.

This report would not be complete without acknowledging the recent passing of Danny Topfer. Topy was a life member, Australian Open Ski Relay Champion and Ski Captain for many years. He was one of the nicest people you would ever meet and his generosity knew no bounds. His contribution to Surf Sports at Maroochyore over many years will never be forgotten. Rest in peace, mate.

See you around the Club.

Aussie Titles- 4th Place
Senior State- 3rd Place
Youth State- 2nd Place

JUNIOR ACTIVITIES

With a second in the overall point score at the Youth State Titles by a mere 3 points the Junior section of the Club has continued to flourish. We had some fantastic results across the age groups with the U11 and U13s in particular showing dominance in their age groups.

Jake Dale has done a remarkable job with these young chargers, building their skills and confidence, translating this into high level performance at championship events. The effort of parents with regular water safety assistance has greatly contributed to the overall positive vibe within the section. We need to see this effort continue for the program to operate successfully.

For the athletes making the journey to Western Australia for the Aussies, this was an eye-opening experience and one they handled brilliantly. The Youth section had an outstanding campaign finishing 2nd in our unofficial point score with 11 Gold, 7 Silver and 2 Bronze.

NUTRI GRAIN

Tiarnee Massie and Adam Palmer once again qualified for the elite Kellogg's Nutri Grain Iron Series. This is no easy feat, with the trial for the series being the most difficult event on the sporting calendar.

Tiarnee went on to have her most consistent year to date. On many occasions Tiarnee was pushing for a podium finish and showing her more seasoned competitors that she is a force to be reckoned with. Tiarnee managed to claim an outstanding 5th spot in the overall point score. With another year under her belt and experience gained, the future is looking even brighter for Tiarnee.

Adam showed he has all the skills to compete at this level. He is one of the toughest competitors in the sport as he grows in confidence at this level. A breakthrough is not far away. Adam finished in 18th position as one of only three competitors under the age of 20 in the men's series.

AUSSIES

The senior element of the club produced solid results throughout the major carnivals and are starting to come of age at an Open level. Unfortunately, we did not have the entire team make the journey to the Aussies but still managed an outstanding 4th place in the overall point score. This was a true team effort with points coming across the board in Surfing, First aid, Champion Lifesaver, Boats, Beach,

and Water events. The First Aid and Beach section were particularly impressive with swags of Gold medals. Lenore Grice and Todd McSwan have again produced an excellent program with a culture of sustained success, as has Michael Brooks with the Boat section.

Our Senior section walked away with 7 Gold, 13 Silver and 3 Bronze

Sam Harris and Joel Piper claimed the rare feat of 1st and 2nd in the U19 Male Belt race before backing up with 2nd (Joel) and 6th (Sam) in the U19 Ironman final. In a hot field of the country's best Juniors both athletes showed the true fight and determination in their racing. The effort here from both athletes was incredible.

In total Maroochydore amassed 43 medals in the U13 – Open category with 18 Gold, 20 Silver and 5 Bronze!

Special mention must go to two of our senior elite athletes, Sam Short and Alyce Wood. Alyce back competing as a young mother has gone to claim the Australian Titles in the K1 500 and K1 200, a remarkable effort one year out from the Olympics.

Sam Short's career continues to head in the right direction as he grows stronger with each event. This remarkable young athlete is now the Commonwealth Champion in the 1500m Freestyle! Silver medallist in the 400FR (Commonwealth) and Australian champion in:

- 400 FR (10th fastest time in history, 4th fastest Australian all time)
- 800 FR (4th fastest Australian all time)
- 1500 FR

It's truly inspiring to watch these two athletes perform the way they do. We wish them all the best for the next 12 months and look forward to watching them chase glory for Australia and Maroochydore.

We have an amazing diversity of talent within the Club. Athletes, administrators, management, team managers and parents contributing to the overall success of the Club. This is reflected in our success across the competitive landscape. We can only improve with everyone on the same page and pushing towards a common goal; we are on the right track; we need to keep improving and keep moving forwards.

To the coaching staff of Todd Grace, Clint Irwin, Jake Dale, Swanny, Lenore Grice, Michael Brooks, John Baxter and Sarah McGrath – Thank You! Your tireless work and sacrifice is deeply appreciated and forms the framework of a successful enterprise.

Team Manager's Report

Brad Irvine

It is pleasing to be writing this report on the back of another successful and enjoyable competition season for our Club. Unlike recent seasons, we had a relatively impact free season. Beside an unfortunate timing for a shark to chase a dolphin at Manly beach in Sydney, when we had a large contingent of our competitors head down there for the Summer of Surf Manly Classic, we were able to compete relatively impact free. It was a very busy season with multiple carnivals back-to-back for multiple weeks on end. It is something that will be reviewed for next season to ensure that we have a well balanced mix of carnival racing and time to train and recover.

There has already been a lot written in the Annual Report about our successes throughout the season, so I won't even try and call out individual competitors. However, the highlights below provide us with confidence that our team will continue to strive for success and is in great shape for the future:

- Once again nine of our athletes competed strongly at the Nutri-Grain qualifying trials at Tugun in November 2022 with Tiarnee Massie and Adam Palmer qualifying for the Nutri-Grain Series. Both Tiarnee and Adam went on to represent Maroochydore strongly over six gruelling rounds. We also had a strong contingent of ten u19 competitors compete at three Nutri-Grain Next Gen carnivals to see if they could qualify for the Nutri-Grain series.
- Although Aussies in Perth had its challenges in relation to cost, distance and logistics, our Club was well represented across all disciplines. And although our team was smaller than normal, given those challenges (across Seniors and Masters we still had over 100 competitors!!), we finished 4th overall, which is a fantastic achievement. What was also very clear in Perth was the willingness of everyone there to help and do whatever was needed to support our competitors. The final day container pack up and celebration was memorable for a number of reasons including the 'all hands on deck' approach to getting the container packed quickly and celebrating the competition across a very busy week.
- Competitive success is certainly one measure of progress, but it is also pleasing that the team continues to have strong numbers across all disciplines, whether it is the Beach, Boat or Surf competitors. At a 'local' States Competition at Mooloolaba this season we had over 140 competitors (Seniors and Masters) and over 120 teams compete for the Black Swans. This season we have also seen a number of competitors from other clubs and the general feedback is that our strong coaching program is a key aspect of them joining our club.
- The continued inclusion of the Murphy Home Maroochydore Classic is part of the ever-growing Summer of Surf Series. The Series continues to grow and bring innovation into Surf

Sports continuing to increase participation, competition, and excitement for all those involved in our carnival. In partnership with our own Murphy Homes Maroochydore Classic, we continue to build the sport and make it attractive to competitors and supporters. With Aussies 2024 being on our home beach, the Murphy Homes Maroochydore Classic will be well attended by Australia's best athletes to assist with their Aussies preparation.

- Continued focus and support across all aspects of the Surf Sports competition disciplines including Beach, Surf, Boats, Surfing, Rescue events, First Aid, Pool Rescue and March Past.

As my fourth year in the Team Manager role, what continues to stand out and makes me appreciate being part of the team includes:

- Our Coaches, Athletes, and Administration act in an efficient and professional way. The amount of work and commitment that goes into the team is incredible and is a credit to everyone involved.
- The willingness of people to help out and contribute. I would especially like to thank Lauren and Katherine in the Office, who are tireless in their support and hard work they deliver for the entire Surf Sports team. The list of others that are critical to manage the team includes Team Managers across all the disciplines, Officials, First Aid, IRB Crews, Handlers, people recording results or just the general willingness of people to jump in when a task needs to be done. At every carnival I attended this season, there were at least two or three additional people offering to help in any way they could. This willingness was exemplified with the incredible work undertaken by a large number of members to support our team throughout the season. I would especially like to thank all those 'Assistant Team Managers', who were critical in managing the entire team across all disciplines. And that is not just one or two people, we have at least 15 members who were actively responsible for managing specific disciplines, age groups or administration for our Surf Sports team throughout the entire season.
- Teamwork is required to be successful. Maroochydore is a very competitive club with a long history of success. Individual success is certainly critically important to having a strong Club and culture. However, the excitement and memories that are made when a Boat Crew, Beach Relay or Taplin Relay team work together to come out on top is infectious to be around. And within our Maroochydore group, that seems to be the success that is most celebrated.

Thank you to everyone for their continued support of the Surf Sports Team and we should all be excited looking forward to next season, especially given Aussies is coming back to our home beach in 2024!!

Ski Captain's Report

Todd Grace

Dear Members,

This year's report is one of the hardest I have ever had to write.

With great sadness, I acknowledge the passing of Danny Topfer, Life Member and former Ski Captain of 20 years. We have lost a mate who put his heart and soul into the club, recognised by his Life Member appointment at such a young age.

Highlights of Danny's ski career started with a State Championship win in the junior double ski with Brendan Purcell at Kurrawa in 1998, followed by a State Open Mixed Double ski and an Australian title in the Open Ski Relay to name a few. My favourite win though, would have to be getting away with the naked cannon ball dive off the 10m diving board at Redcliffe swimming pool.

For me personally, Danny took me under his wing when I first arrived at the club nearly 19 years ago, and has been a source of inspiration ever since. Thank you for showing me the ropes when it came to ski captaincy and always being there for advice whenever I needed it – I can only hope I am doing you proud.

To Glynn, Pauline, Michael and family, my deepest sympathies. You are a wonderful family, who not only gave us the gift of Danny, but you have all shaped our club for the better.

Danny, your cheeky grin and your big heart will be sorely missed.

The 2022-23 season had a different feel to it this year with an extensive competition calendar in place that saw the team travelling the coast of Queensland and NSW to the various events. The added investment into the Summer of Surf series has really helped get the sport back on track with feels of the heyday due to some fast and exciting racing in challenging conditions. It was fantastic to see some great results from our team during the series, with great iron legs, and who can forget our mighty mixed Taplin team making the podium on our own beach at the Murphy Homes Summer of Surf. From a pure ski perspective though, a key highlight was to see three Maroochydhore women making the top 10 in the overall series leaderboard in the Open Women's ski, with Phoebe Wills-Grace in 4th, Phoebe Woodhouse in 6th and Dom Stitt finishing 8th.

With a number of our athletes not able to attend Aussies in Perth, the Queensland Championships gave the squad the best chance to have one last hit out as a full-strength team, and plenty of podium results with the following:

- Silver: Open Women's Double Ski (Alyce Wood and Phoebe Wills-Grace)
- Silver: Open Women's Ski Relay (Alyce Wood, Phoebe Woodhouse, Courtney Bryant)
- Silver: U19 Men's Single Ski: Joel Piper
- Silver: U19 Men's Ski Relay (Joel Piper, Mitchell Stitt, Alex Woodhouse)
- Silver: U19 Women's Ski Relay (Phoebe Woodhouse, Brigitte Nolle, Grace Giblett)

It was absolutely fantastic to see Alyce Wood back in the Ski after giving birth and leading by example. Special mention too goes to Joel Piper for the way he raced his Ski leg in the Open Mixed Lifesaver Relay; so proud to see him hold off fast-finishing legend Hayden White! A great win for Maroochydhore!

With a very small team and very flat conditions, there was less opportunity for results in the Ski specific events with Australia's Olympic and World's team Kayaking representatives dominating the podium across all age groups. Was still great to see plenty

of Finals opportunities though, in the Women's Ski Relay, U19 Women's Ski Relay, U19 Men's Ski Relay, U19 Women's Double Ski, the U19 Men's Ski (Alex Woodhouse), and U19 Women's Ski (Phoebe Woodhouse and Brigitte Nolle) and the U17 Men's Ski (Byron Dieckmann), and we certainly enjoyed witnessing Ski leg events that were very successful, with Joel Piper's Silver in the U19 Iron, and joined by Sam Harris and Alex Woodhouse, who put in a great paddle, to secure a Silver in the U19 Male Taplin.

In other news, we have had three Australian team Kayakers named this year, with Alyce Wood confirmed in the Australian Open Women's team after a commanding performance at trials in February. Congratulations also to Phoebe Wills-Grace and Byron Dieckmann, who were named in the U21 and U16 Australian Team for the Asia Pacific Cup.

A huge thank you to the Board of Management, Board of Surf Sports and especially Danny Short for his relentless dedication and time put into ensuring we have a successful Surf Sports program.

Beach Coach Report

Todd McSwan

This season saw the expected and continued progression, growth and success of the Beach program across all age groups U11 to Opens. It was a very successful season by all measures.

QLD Beach Series: 3rd year in a row overall Champion Club.

Aussie Fitness / Murphy Homes: The most successful beach carnival this year thanks to the enormous support of Aussie Fitness Equipment and LSKD over \$10,000 prize pool.

Junior Branch Champs: Massive overall winners on beach points and we qualified every team for State Relays except only one; this was across U11-U14 Relays, Mixed and All Age.

State Champs: We won pointscore on the beach for both Junior and Senior championships.

Aussies: 1st overall on Youth pointscore and 3rd in Senior.

Aussies in Perth did not deliver the results I think we all expected overall. We had some fantastic results, and the team were beautiful to watch as both teams and athletes had to deal with disappointments, team changes and some really hard learned mistakes; but they all did it together. Strong and united which made me and all involved enormously proud. Huge respect for you all!

Congratulations to our GOLD medallists Tom Johnston, Pipi Barlow and Jaz Edmonstone and the U17 Mixed Relay Team in TJ, Thomas Basford, Josie Holmes and Tiarna O'Neill.

We bagged an enormous number of medals and a ridiculously frustrating amount of 4th places. As a team we were the highest placed point scoring Club overall with Youth and Senior results combined. In fact, looking at U13 to Opens total "Beach" points at Aussies 1st - Swans 118 and 2nd Northcliffe 75 which speaks volumes to depth of our team and this remains the case for many years to come.

Special mention to our newly blooded Opens Teams and racing crew at Aussies. What an epic display of leadership with Men's Relay (Bronze), Women's Relay (4th) and Mixed (Silver) with both Rossy (Sprints) and Taylor (Flags) making Top 8.

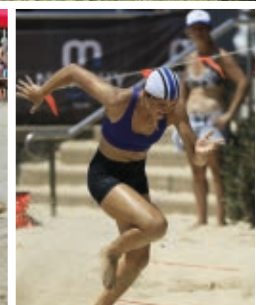

Thanks in the highest form to MJ, our tirelessly worked Team Manager. Your contribution, work ethic and dedication to our team is unrivalled and we are so enormously grateful for your efforts.

To all that took on the Officials role and newly sat through the course thank you all as well our helpers at Carnivals, Age Managers, Photographers and helpers for Murphy sprint track works.

Lastly to Rossy & Tahlz, thanks for your support in coaching and leadership along with KB and the many Seniors that supported me this year at Nippers, carnivals and training. You know who you are.

From a coach's perspective, this was the toughest season I have coached in my time to date. This directly correlates to having the largest beach team and most successful program in Australia and the pressure and stress of athletes (and parents), all committing to the program and then wanting to be a part of what we now expect is State and Australian Championship winning teams. As a coach, team and Club, we have continued improvement to be better in this space going forward.

2023-24 Season will be HUGE – Home Aussies and GC States, a few new faces, plenty of upgrades to the program, a new Junior Beach Coach and plenty of the same stronger together vibes that got us to where we are now. I look forward to seeing you all either off season or pre-season – LESSGO!!

Swim Captain's Report

John Baxter

From a competition standpoint the season kicked off in early June 2022 with the Pool Rescue component of our Lifesaving Program. Not only do our numbers in the Pool Rescue program continue to grow from strength to strength each season, so do our results. Our athletes have performed amazingly over the season and came away with some extraordinary results.

The 2022-23 Pool Rescue season feels like a lifetime ago and training has already commenced for the 2023-24 season, but I will start my report here.

I would like to say a big thank you to our tireless volunteers who help make our Pool Rescue season a success. Thanks goes to Nathan Lee, Nathan McGrath, Jason Oates, Jenny Parry, Danny Short and Liam Short. Every year Jeanie Baxter-Reid from Sunshine Coast Grammar Life Saving gives up her time and invaluable knowledge of Pool Rescue to help further improve our skills. I would also like to express my thanks to Buggy and Tamara from Alite Edvantage at Mountain Creek Aquatic Complex for allowing us the use of their facilities.

As in previous years the Maroochydore team competed at our normally high standard.

Pool Rescue Results 2022

- Branch Pool Rescue Championships 1st place
- Queensland Pool Rescue Championships 2nd place
- Australian Pool Rescue Championships 3rd place

Representative Honours

Congratulations go to the following athletes for being selected in Representative Teams

Queensland Cyclones Pool Rescue Team 2022: Sam Harris, Jessica Oates, Jay O'Pray, Joel Piper, Summer Short

Australian Royal Lifesaving Pool Rescue Team 2023: Jessica Oates, Joel Piper, Summer Short

Australian Youth Team for the 2022 World Lifesaving Championships: Matthew Magnussen

Again, we were very lucky to have a considerably normal surf season, and we were able to come away with some outstanding results in the Swim Section. We have an amazing group of swim athletes within our Club that continue to perform year after year, carnival after carnival.

'Bash It Up'

In the middle of each season, we run a body surfing competition affectionately know as 'Bash it Up'.

- Bash it Up Champion- Sam Short
- The Golden Flipper (wave of the day) – Jacob Marr
- Dash for Cash World Championship – Harry Irwin
- Handstand Competition – Yve Warren

I want to say a huge congratulations to our athletes and thank you to our swimmers and their families for their continued support of the club.

Pool Rescue Report

Nathan McGrath

The Pool Rescue season began in May 2022 and concluded at the Australian Championships on the Gold Coast in August.

Maroochydore competed at the Gold Coast, Sunshine Coast, Brisbane, State and Australian Championships.

At the 2022 Queensland Pool Rescue Championships, our team won:

- o **42 Gold**
- o **30 Silver**
- o **29 Bronze**

These results placed us 2nd in the Overall Club point score, behind an extremely large team from Northcliffe.

A special mention to our Under 17/19 age group athletes who competed in multiple relay events in Open and their own Age groups, and to our Masters competitors, who after looking at the point score, thought we could beat Northcliffe, so entered every Masters event available, only to have us fall agonisingly short; superb effort boys.

At the 2022 Australian Pool Rescue Championships, our team won:

- o **11 Gold**
- o **18 Silver**
- o **23 Bronze**

This placed us 3rd on the overall point score behind Northcliffe and Currumbin, an outstanding effort by our small team compared to some other clubs.

Thank you, to our coaching staff of John Baxter, Liam Short, Jeannie Baxter, Sarah McGrath, Jason Oates and Danny Short. Without you we would not be in the position we are in; your expert coaching is very much appreciated.

To Jenny Parry, for giving us her time on multiple occasions at the training pool and on pool deck. How good is it that parents will say to me the kids are learning so much, and I can say well the lady talking to your child held multiple world records in her day. Thank you very much.

To Buggy, thank you for getting up and letting us into the pool, on your one day off, I love how you are embracing pool rescue, looking forward to seeing you at many carnivals next year.

Onwards and upwards, and with LWC in September 2024 on the Gold Coast, things are building nicely.

To all of the parents and supporters and other helpers, thank you; a lot of time, effort and money goes into attending these Championships, and without the sacrifices made by you we would not get the outstanding results that we did achieve.

So, until next year's Pool Rescue season, may the 'Golfing Gods' be nice to you, the fairways lush and the greens true.

Masters Report

Once again Maroochydore Masters are not represented on the Board of Surf Sports.

Masters members assist the Club in many valued and varied activities from patrols to competition, training and general mentoring around the Club. Unfortunately, we have been unable to attract someone to the Board of Surf Sports to fill this role.

Our Masters competitors enjoyed a good season culminating in three Gold, five Silver and two Bronze medals for a total of ten medals at Aussies. Clint Irwin and Kirk Jarrott each secured Two Gold medals.

If any Masters out there have the time, please consider taking up the Masters Liaison position.

Boat Captain's Report

Michael Brooks

It was another great year for the Maroochydore Boat Section. This year we showed strength from the very first carnival until the end. A Maroochydore crew walked away the winner at every carnival for the year.

Highlights

The Chums Open Women performed exceptionally all year, highlighted by winning the National Short course and 2nd at Aussies. This crew finished 1st or 2nd at all but one carnival for the year. Special thank you to Emma Tucker who filled in throughout the year.

It was the first season for the U19 Mens Crew, and they walked away with a State Gold and National Bronze in the Boat Relay

The U23 Men made history becoming the 6th crew of all time to win three Aussie titles in a row. They were also the Queensland crew and won the ASRL Open.

It was also the first year for our U23 Female Crew, the Migaloos. This Crew has a very bright future and picked up a Queensland 4th placing already. We welcome the girls and

Steele Davis to the Club.

Injuries, crew changes and Perth made for challenging circumstances for the Stingrays Reserve Women, but they still managed to achieve an Aussies Silver. Well done to Raylene for coaching the crew and then stepping up to row in the crew to turn the season around.

The Meat Trays Reserve Men achieved more than planned with a top eight result at the ASRL Open and a State Bronze. They will have a great year next year.

Special thank you to Glynn Topfer for all the assistance with our nominations and membership statuses. Also, to Corey Stone who has represented the Club well, being the Queensland Team Manager and leading the team for its first win in ten years.

Fibreglass Cowboy's Report

Jason Bristow

Our Fibreglass Cowboys group had another successful year with yet another close 2nd in States to Noosa Heads, who somehow keep just piping us the past few years for the State Championship honours. As a group we are getting great results in all shortboard divisions, and I believe Maroochydore are the strongest in shortboard; however, we do lack Malibu riders and results in Malibu which is costing us overall. So, a call out to all Malibu riders the Fibreglass Cowboys need you next season, so we can win a State Champs and maybe even an Aussies in Surfing.

Due to the distance for Aussies this year and that many of our core surfing group weren't participating in Lifesaving or Beachie events in Perth we only had three surfers compete for us at Trigg Point. However, Grace McManis, one of our new club members this year and an ex-Trigg clubbie, finished 3rd in U/17 Female, which was an awesome result.

Our Medallists for States and Aussies this Year were.

States:

- U11 Female- Lilou Mulligan 2nd Place
- U12 Male- Raph Short 1st Place
- U13 Female- Poppi Mendes 1st Place
- U13 Male- Jamison White 1st Place
- U14 Male- Harry Halliday 2nd Place (an excellent result for Harry, who in past years had just missed medals- well done mate)
- Open Female- Grace McManis 1st Place
- Open Male- Noah Andrew 1st Place

Aussies:

- U17 Female- Grace McManis 1st Place

I'd like to thank Grant & Rachel Thomas from Maroochy Surf School, once again for their ongoing support of the Fibreglass Cowboys with coaching and Club sponsorship provided.

With States and Aussies for Surfboard Riding both on the Sunshine Coast next season, I am hopeful that we can continue to get as many surfers as possible from the Club involved along with some more Malibu riders.

I am looking forward to another good season ahead.

March Past Team Report

Ralph Devlin AM KC

Our eighth season of March Past competition saw just two outings, with a Colour Party contributing to the Mooloolaba Centenary March Past in late 2022 and at the Queensland Championships at Mooloolaba in March 2023.

Firstly, thanks to Brett & Kirk Williamson, Fiona Meredith and Toni-Maree Pettigrew for donating your time for the Colour Party, it was important to support Mooloolaba on their Centenary celebrations.

And for the record, the Black Swans won our fourth State Bronze medal, so we were happy with that. The Aussies in Perth were not an option this year, but we were proud to fly the blue, black and white flag and to wear the 'Star' costume which first featured in our surf life saving competition in April 1916.

The Queensland Champs Open March Past Team was:

Flag- Brett Williamson OAM

Belt- Ralph Devlin AM KC

Reel Party: Kirk Williamson, John Baxter, John Sayers, Danny Short

Drum: Mike Dwyer, Paul Cramsie

Back line: Michelle Burnett, Fiona Meredith, Toni-Maree Pettigrew, Larissa Hallam.

Our esteemed Coach Bill Scott was travelling on that weekend, so we had to fend for ourselves for the first time!

Recent years have seen the appearance of our Under 17 Aussies Champions March Past (2017) and Under 23 Bronze Medallists (2019 & 2021). It has been a great thrill for us oldies to march at Aussies with our younger (much younger!) clubmates, so we look forward to that happening again soon.

Next year at the Sunshine Coast we'll hopefully end up with Opens and Under 23s on the paddock, depending on availability. Super Coach Kara Wills is keen to coach the Under 23s.

In the meantime, thanks to everyone for your participation - we had fun and flew the flag.

STATE UNIFORM PRESENTATION

Board of Junior Activities Report

Jay Whatley, Director

As I reflect on the 2022-2023 season which has just finished, I'm proud of the efforts of all volunteers who assisted in the Lifesaving and Competition elements of our program. I'm most proud that we achieved our core objective to educate and train children and young adults to become Surf Lifesavers.

To Rob Elford, our Club President, and to all members of the Maroochydore SLSC Board of Management, thank you so much for your contribution and support of our Junior Activities.

Thanks to our Life Members, in particular Wayne (Nunga) Ingram, who attended every Sunday Nipper Session as Water Safety with his group of Under 8s and helped the beachies by driving the bus down to the Gold Coast so they could compete.

This season we had twenty seven x 14 year olds train to meet the standard to hold the Surf Rescue Certificate award, thus enabling them to commence their journey as patrolling members at Maroochydore. In addition to this, we also had Nine nipper parents take on the challenge of training and securing their Bronze Medallion which is no mean feat when some of them were never brought up around the surf. We had four parents complete their Officials Award helping to alleviate the pressure on our parents already officiating at each carnival.

To achieve this feat we are eternally thankful to our dedicated and loyal volunteer trainers and assessors who give up their weekends to train the next generation of Maroochydore patrolling members. In particular, thank you to Michelle Burnett, Amanda Massie, Danielle Driscoll, Andy Walpole and Mike Dwyer.

Stan Jarrott and Ruby (Twiggy) Williams have both done an exceptional job this season as our Nipper Captains. Both have displayed wonderful leadership; have been incredibly organised and have delivered on every single requirement asked of them by the Club. They spoke brilliantly at every Nipper Sunday and have represented our great Nippers at many community engagements, including laying a wreath at the Cotton Tree ANZAC Day Branch Service.

From a competition perspective, we sure know how to have a party for coming second at State Titles!!! In all seriousness, it is a character defining moment what we all went through as a group and I know we will bounce back better for next season. For those not aware, at the Junior State Titles Maroochydore finished the carnival with the highest points score, presented with the trophy on Sunday and on Monday was informed by SLSQ that the point score was incorrect, and we had come second. Thanks to our coaches, Jake Dale, Swanny and Buggy for guiding the kids through this life moment.

Also contributing to this great result were our Champion Lifesaver athletes, led and trained by Lenore Grice and captained by Sarah McGrath, who won numerous medals and solidified themselves as the next generation of Maroochydore athletes to dominate these events.

Not to forget our friends from Fibreglass Cowboys who had a very successful season with outstanding efforts at States and Aussies. Thanks to Jason Bristoe for working with our small team.

Come Aussies 2023 in Perth our U13 – U15 athletes were once again in the medals of all colours from the beach, lifesaver events to the water. There are so many outstanding achievements that I can't mention them all except to again admire the dedication and team work on display over the duration of the carnival. I witnessed our swimmers (all flat water, not a wave in sight) and runners push their bodies to the limit where they could not walk after winning Gold. It was also a big effort to our parent group who fund raised and spent considerable sums of money to send our kids to the other side of the country to compete.

I'd like to take the opportunity to thank the following who volunteer for roles week in and week out, most of the time behind the scenes:

Canteen - Robyn Draper and Lauren Timmins. These ladies took on the role this season, took it all in their stride and did an AMAZING job. They are always smiling, helpful and get in and get the job done. This is one of Nippers biggest fundraisers and they have smashed it.

Gear Steward - Mel and Adrian Hueso also took on the role this season when our Board supply wasn't in great condition. They have done a fantastic job to restore and look after our gear. We wish them all the best as they head to Spain to live.

Team Managers - Kat Latham, Sandy Cooper and Jo Rodd, who work tirelessly behind the scenes to make sure that sure that everything is in place for the kids to compete at carnivals. This is a huge commitment.

Water Safety Manager - Paul Wilcox thank you for assessing our beach each week to make sure the conditions were safe for the kids. We have had a rough season, but were fortunate to be able to run the majority of our sessions with your guidance.

Green Caps - Dr Dan Draper, Evita Camilleri and Fiona Meredith – the Dream Green Team. Who turn up each week to provide our youngest Nippers the most beautiful start to their Lifesaving journey. We are so fortunate to have you on board and would be lost without you.

Wayne Spindler and Robb Boughton thank you for your time with the U8-U10 Age group, your Friday Afternoon Water and specialised holiday sessions were a hit.

Board of Junior Activities Report

(cont.)

Uniform Coordinator – Emily Saunders and Mylee Hale. Our State and Aussie uniforms this year looked amazing on the beach. The other Nipper merchandise introduced being the Bucket Hats and Nipper T shirts were a big hit.

Sunday Coaches – Thanks to Clint (Matey) Irwin, Steven Short and Kerri Thomas for running our Swim and board sessions each Sunday morning. If the kids only knew how lucky they are to have this high calibre of parents teaching them.

Major Sponsors Century 21 on Duporth - They continued their partnership with Maroochydore Nippers; thanks so very much to them. Thanks Damien Said, Kerry Roberts and Mel Hueso. We also welcomed Plexxcon and Focal Group as partners, who ensured our boards were the best on the beach.

To run a program the size of Maroochydore's requires commitment from all in a small way so that the burden is not left to the few. It goes without saying that we cannot compete at carnivals and run our Nipper program without the commitment of our Age Managers, Water Safety, Officials and IRB volunteers and we thank you for your time. To all parents/caregivers, for bringing your kids along each week, thank you.

In closing for season 2022-2023 I'd like to thank Kat Latham, Ben Ray, Nathan Lee as members of our Junior Activities Committee for contributing to a great season of highs and lows and for ensuring all kids have the opportunity to contribute to the greatest Club on the beach.

Junior Activities Captains' Report

Ruby Williams Stanley Jarrott

This season was one to remember. Having performed so well at the State Titles but being relegated to 2nd Place following a recount; all of the Nipper Sundays; after parties and joyful carnivals, show what a challenging season we have had. As Nipper Captains we have seen the younger members grow in many significant ways, from gaining more confidence in the water to making new friendships that will last a lifetime. Despite all the ups and downs, we are very grateful for having such a supporting team throughout the whole season.

With the results, we saw many outstanding achievements through individuals and teams. But these wouldn't have been attained without everyone helping behind the scenes. We would like to thank everyone involved from the Nipper Sundays to organizing and helping at carnivals. This couldn't have been done without you.

From our perspective we cannot believe how much this Club has evolved for the good. One example of this was thanking the Officials after every carnival. Hearing positive feedback from Officials saying how much it meant to them to have such an amazing group come up to them and thank them for being involved. Every age group gave it their all at everything they did, making Maroochydore proud.

We are forever grateful to you for giving us this opportunity.

Seeing everyone evolve together and be a team doesn't give us one regret for being a Black Swan. This community is something we would not give up, seeing every kid wearing their blue, black and white cap with respect and dignity shows how amazing this Club really is. Seeing how much the younger kids look up to us shows the example we are for them, making them the best athlete and person they can be. Spending hundreds of hours with these people makes them feel like family. Knowing that we never have to worry because someone always has your back no matter what; that's when you know you have the right club.

This has been an incredible opportunity this season and we hope that this club lives up to its pride for many seasons to come. Ruby and Stanley signing off. Thank you!

Board of Marketing and Promotions Report

Jason Childs, Director

The Board of Marketing and Promotion has once again exhibited great diligence in raising funds, coordinating events, and ensuring our members are outfitted with top-notch uniforms. Their tireless efforts have been instrumental in achieving our objectives and enhancing member experiences.

The MSLSC Race Day at the Sunshine Coast Turf Club was again hosted in the Spring Carnival period; however, given the amount of racing and the proximity to other events, a new date is likely for 2023. The event continues to be profitable and enjoyed by attendees.

Our \$10,000 Draw continues to be successful and well-supported. With a sell-out of tickets, great food and drinks and a sole winner, a great afternoon was had by all who were involved.

The MSLSC Charity Golf Day boasted its most successful running in several years at Headland Golf Club in May. Headland GC provides a great service and facility which provides us with a foothold for us to continue to improve the day moving forward and capitalise on this positive direction. Special thanks must go to our sponsors of the day: Sugar Road Tyre & Mechanical, Port City Air Conditioning, Cotton Tree Meats, Diageo, Moco, Angove, Scream Printing, the Clatworthy Family, Kook Digital Marketing, XXXX, CMBM and The Coffee Place. Thanks to the volunteers (Rob Elford, Darren Kerr, David Stone, Victoria Berry) and to Kat & Lauren who assisted on the day.

The Rebel Junior and Murphy Homes Carnivals were both very successful, confirming the Club's excellent hosting capabilities and attractive competition. Major sponsors Rebel Maroochydore and Murphy Homes played a significant role, and we are immensely grateful for their support. Murphy's garnered a record competitor backing off the back of our continued partnership with Summer of Surf. A special mention to Aussie Fitness Equipment and LSKD for their support of the Beach events. Our sponsors contributions continue to elevate our carnivals, ensuring a memorable experience for all participants. We extend our heartfelt appreciation to Rebel Maroochydore, Murphy Homes, and all supporting sponsors for their invaluable contributions.

Mylee and Emily have consistently demonstrated remarkable organisational skills in managing the Club's uniform and merchandise. They have diligently worked with several suppliers to ensure that all uniforms are of a high standard, enabling our members to represent the Club with pride. Their meticulous attention to detail has played a crucial role in upholding the professional standard we strive for.

I'd like to extend my personal thanks to the whole Board of Marketing and Promotion: Mylee Hale, Emily Saunders, Darren "Spot" Kerr, Wade Lee, Victoria Berry, and Karen Misso (part-year); all those who assisted our team; and Rob, Tim, Lauren, and Kat, who continuously support the work of the Board.

Board of Finance and Resources Report

Andrew Patrick, Director

It is with pleasure that I present this report, the 2022-23 financial year report and my final report as Treasurer of the Maroochydore Surf Life Saving Club.

This past 12-18 months has been challenging for the Club as well as myself personally, however, the Club remains one of the most admired Surf Clubs on the coast. It continues to remain in a strong financial position and maintains a strong presence on the beach for both patrols and in competition. It has brought its own challenges, however with a strong board we have been able to work through these.

The financials are shown in the 2022-23 Annual Report.

The overall revenue of the Club has increased from the 2022 year, up approx. \$500,000 due mainly to a significant increase in donations from the Supporter's Club, as well as an increase in the rent from the Supporters Club, which of course is calculated on the EBITA from the Supporters Club. A big thank you to Kim Musgrove who has work tirelessly and has applied for just about every available grant, and while not always successful his contribution to the club needs special mention.

As mentioned, rent continues to be paid in full from the Supporters' Club in line with the sub-lease agreement with the Supporter's Club.

Expenses increased as expected due to the increase in athletes attending carnivals and events across the board, the significant expense sending a competitive team to Aussie titles in Perth, as well as general day to day expenses due to the increase in activity back at the Club.

Overall, the Active Club ended with a profit of \$82,662, a difference from the prior year where a loss of \$262,220 was reported. While depreciation contributes a large amount of this, \$254,212, usual employee expenses, property expenses, insurance and general expenses added to this. A note, entry fees this year sat at \$81,083, up from \$64,666 in the prior year. Travel expenses also increased from \$25,444 to \$43,857.

There was a slight increase in financing costs. This included the interest on the motor vehicle loan, as well as the financing of the compulsory insurance for the Club, as well as the QRIDA loan. Apart from these, the Club remains in a strong financial position. The loan to the Supporters' Club sits at \$758,896 at the financial year's end, with repayments now being made monthly to reduce this overall amount.

At the years end we had cash assets of \$344,114, an increase of approx. \$120,000 from the prior year. However, there is an amount of \$184,309 for the Mal Pratt Foundation that we include that is outside the club's auditing guidelines.

Our debtors and creditors continue to remain within terms, with a continued focus of repayment of accounts as early as possible to avoid any unnecessary late fees. Overall, our debt position remains satisfactory and with the continued reduction in debt puts us in a good position moving forward.

We have continued to provide new equipment for patrols and have also provided funds so that athletes can represent the Black Swan at a multitude of carnivals and events across Queensland and Australia.

In conclusion, I have been advised by the Auditors who have finished their audit of our accounts that we meet all requirements of the ATO. For the year ending April 2023, as stated, we do not have a tax liability with the ATO.

I wish to thank all Board Members, both present and past who have made my time as the Treasurer relatively seamless during the last 6 years and look forward to continued success for the Club going forward.

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

General Information

The financial statements cover Maroochydore Surf Life Saving Club Inc (“the club”) as an individual entity.

Basis of Preparation

This financial report is intended to provide users with an update of the latest annual financial statements of the club, and it is recommended that this annual report is read in conjunction with the full financial statements for the year ended 30 April 2023.

The same accounting policies and methods of computation have been followed in this annual report as were applied in the full financial statements.

The financial statements, except the cash flow information, have been prepared on accrual basis and are based on historical costs, modified where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest Australian dollar.

The financial statements were authorised for issue on 12 June 2023 by the Board of Management.

Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to confirm changes in presentation for the current financial year.

- greater than 5 years	-	-
Minimum lease repayments	-	580

The club has entered into a non-cancellable lease with the Queensland Government for the land on which the club is operating. The lease will expire on 25 April 2031.

The Board have determined that the impact of these two operating leases on the Club is not material for the accounting standard *AASB 16 Leases*, and therefore the future commitment of these lease payments and associated right of use assets have not been recognised for the 2022 financial year. The above lease commitment note reflects amounts committed not yet paid.

(b) Capital expenditure commitments

There were no capital expenditure commitments at the 2023 reporting date (2022: Nil).

(c) Contingent liabilities and commitments

There were no contingent liabilities at the 2023 reporting date (2022: Nil).

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Maroochydore Surf Life Saving Club Inc (the "Association"), which comprises the condensed statement of financial position as at 30 April 2023 and the condensed statement of profit or loss and other comprehensive income, condensed statement of cash flows for the year then ended, select explanatory notes, including a summary of significant accounting policies and the Board of Management's declaration.

In our opinion, the accompanying financial report of Maroochydore Surf Life Saving Club Inc is in accordance with the the *Australian Charities and Not for Profit Act 2012*, including:

- (i) giving a true and fair view of the Association's financial position as at 30 April 2023 and of its performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards – Simplified Disclosures and the *Australian Charities and Not for Profit Regulation 2022*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. We are independent of the Association in accordance with the auditor independence requirements of section 60-40 of the *Australian Charities and Not-for-profits Commission Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibility of the Board of Management of the Association for the Financial Report

The Board of Management of the Association are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Simplified Disclosures and the *Australian Charities and Not for Profit Act 2012* and for such internal control as the Board of Management determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Basis of Accounting

This financial report is intended to provide users with an update of the latest annual financial statements of the club, and it is recommended that this annual report is read in conjunction with the full financial statements for the year ended 30 April 2023. The same accounting policies and methods of computation have been followed in this annual report as were applied in the full financial statements.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

Grants Officer's Report

Kim Musgrove

When we think about our primary role in the community, the words “we serve” and “saving lives on our beaches” is the key ingredient and exactly what we do through volunteering our time, energy and resources. This creates a better lifestyle, a safer environment and embraces the concept of improving the service, which our community has become reliant upon. While fostering a close and resilient public face, we do in fact deliver and care for our much loved Surf Lifesaving Club and the Black Swan here on the Sunshine Coast, which we all cherish and we continue to strive for better outcomes, while committing to volunteer service.

In this regard, I have always tried to consider and assist the General Budget of the Surf Lifesaving Club and provide opportunities to improve and advance our commitment to do all of the things above. However, it should not be misinterpreted that the Grants should replace the Annual Budget as the primary source of income to achieve this goal. It remains a fact that Grants could never compete on this scale regardless of good and just intent.

Without the support of the Federal Government, the State Government and the Sunshine Coast Regional Council in sharing our passion for the service and saving lives on our beaches, our task to serve the community would be extremely difficult. We as a Club owe a huge debt of gratitude to the Government Agencies that help us throughout the year by providing Grant assistance to further our cause of volunteer service to the community.

This year we have seen a fantastic outcome for the Club as listed below:

Queensland Government Gambling and Community Benefit Fund	\$35,000.00
Thrive Sunshine Coast	\$25,000.00
Queensland Government QFES Round 1	\$13,856.36
Queensland Government QFES Second Payment	\$13,856.36
Sunshine Coast Council Beach Awareness Program	\$2,000.00
Federal Government BSEF	\$11,000.00
Queensland Government Active Clubs R 2	\$2,000.00
Queensland Government Active Clubs R 3	\$2,500.00
BRP Grant	\$15,819.53
Sunshine Coast Council Athlete Development Program	\$6,000.00
Queensland Government QFES Development Fund	\$1,435.00
Thrive Sunshine Coast	\$5,000.00
Sub Total	\$133,467.25

Additionally, Thrive Sunshine Coast will be transferring assets to the Surf Lifesaving Club for Members’ use of equipment	\$8,650.00
Total	\$142,117.25

As we all know, the Club will be looking into the future and beyond by a complete redevelopment of the Club and in this regard, I have been asked to assist in this history making and enormous task by liaising with others to formulate a financial plan to fund the redevelopment. This will be no small task and I envisage that it will take considerable time and energy to make this happen. As such it would be prudent that I step aside from being the Grants Officer to concentrate on possible sources of funding and allow another deeply committed person to carry on the tradition of securing much needed, and often understated, additional funds for our great volunteer work. Naturally, I will of course continue with my obligations saving the Club additional costs associated with environmental and hygiene services.

Again, on behalf of the Maroochydore Surf Life Saving Club, I wish to acknowledge and thank all the wonderful and dedicated Government Agencies which share and support the truly fantastic work our Club volunteers provide to the community, especially the Federal Government, the Queensland State Government and the Sunshine Coast Regional Council, whose help and assistance is vital to our shared cause of community service and saving lives on our beach.\
